Lampuga / Jetboard

The inflatable electric jetboard has a unique two-part design that demonstrate great balance, stability and control. In contrast to hard bodied boards, the air inside the board's inflatable hull allows it to float when the rider's weight is added to the board, enabling riders to stand, sit or lie on the board before accelerating. By being incredibly easy to use it offers thrilling fun for all riders, regardless of experience level, age or physique.

Fliteboard eFoil

Discover the Andaman Coast in a new eco-friendly way with the freedom to ride anywhere, anytime, without wind or waves. Wings fly below the surface while you soar above the water. The Fliteboard eFoil carves like a snowboard in fresh powder. It's fast, quiet, and emission-free. Almost anyone can learn, yet Fliteboard is engaging for even the most experienced water sports athletes.

Seabob

The Seabob offers six speed levels from gentle cruising to extremely fast, allowing you to travel at the speed of your choice. You can also dive to three metres and discover the underwater world at leisure.

Scuba-diving

Amanpuri is a stepping stone to a wide range of dive excursions and training courses, suitable for both experienced divers and those new to this enthralling sport. Our preferred dive operator is H2O Sportz, a PADI five-star training organisation. Their custom-built boats depart daily to the best dive sites around Phuket including Shark Point, Koh Dok Mai, Anemone Reef, and Sea King Wreck.

H2O Sportz also offer the PADI Open Water Diver, Adventure Diver, Specialty Diver, Rescue Diver, Enriched Air Diver and Bubble Maker courses as well as an introductory programme for beginners.

Minimum numbers apply for all dive excursions. Advance booking is essential. Departure times depend on tidal movements, weather conditions etc. but are usually 8.15am or 11.40am.

PADI Discover Scuba Diving Course

This one-day introductory course starts with a pool session and ends with you exploring the coral reefs alongside your instructor. If you have always wanted to try scuba-diving but have never found the time, this is for you.

PADI Open Water Diver Course

There are two streams to this four-day examined course: classroom sessions and in-water training. In the classroom, cover topics such as safety procedures, the marine environment and dive planning. In the pool, learn how to use scuba equipment safely, before taking to the ocean on four open water training dives.

PADI Advanced Open Water Diver Course

Divers looking to improve their skills and experience will be best suited to this course. It can be completed within two or three days and fuses theory with practice, as five dives teach advanced skills such as navigation, night diving, and deep dives. Further options include naturalist, wreck or multi-level dives. With no formal tests, this is a fun way to become a far more proficient diver.

Private Charters

Amanpuri has a selection of vessels available for private charter. Enjoy sailing, deep-sea fishing and scuba-diving. Over-night charters are available for island-hopping in Phang Nga Bay and the Andaman Sea, serviced by a full crew.
