BAR

At Amankila, we embrace Bali's fine tropical offerings and its inherent connection to the land, while honouring rustic simplicity, growth and decay. Our bar crafts a selection of homemade bitter, kombucha, ginger beer, and variety of syrups and infusions made from the island's native flowers, fruits, and spices. We have worked with permaculture experts to grow the best produce on the hotel grounds, as well as local artisans to source fresh ingredients, all to create drinks that showcase the best of Bali.

We will be happy to assist with your curiosity and
Hope you enjoy our cocktails as much as we are creating them
