Wellness at Aman Venice

Our Philosophy & Environment

Wellness is more than being free from illness, it is a dynamic process of change and growth, a state of complete physical, mental and social wellbeing. Aman's spa concept has been carefully curated with four pillars of wellness in mind - nutrition, movement, psychological health and bodywork - with the singular goal of achieving this ideal balance of Integrated Holistic Wellness for every guest. Treating the whole - mind, body and spirit - by integrating ancient healing modalities with the best of modern science, Aman strives to provide guidance, support and knowledge in a journey that extends beyond the physical boundaries of the globe's Aman Spas. Our aim is for guests to leave empowered and renewed, with the tools to continue their wellness journey, and the resilience and focus to put them into action.

After exploring the myriad of canals and walkways around the city, take time to relax and refresh your body, mind and spirit with our nurturing treatments in an intimate, tranquil setting where you can simply let go and enjoy the moment. Our boutique spa is located, almost secretly, on the third level of the resort with access via a small stairwell leading to a discreet reception area. Gently lit with low ceilings, the spa offers three single treatment rooms, each with a dressing area and bathroom.

Aman Skincare Products

Aman's line of all-natural skincare products draws on the knowledge and wisdom of ancient wellness traditions while harnessing the power of nature. Rare and precious ingredients used include pearls, homeopathic metals, healing tree oils, amethyst, jade, frankincense, and palo santo, as well as alkalising, oxygen-rich spring water, wild-harvested Amazon butter and rainforest muds.

Consisting of smoked body balms, fragrant dew mists, liquid body oils, invigorating body polishes, anti-ageing serums and more, the range is made from organic ingredients sourced from around the world for their purity and potency, and their link to Aman destinations.

Working holistically to nurture and enhance overall wellbeing, each product penetrates deep into the skin to nourish and rejuvenate, but also works on a deeper level, meeting emotional as well as physical need states.

Grouped into three unique formations that reflect three healing pathways back to wellness - Grounding, Purifying and Nourishing - the products contain ingredients with molecular vibrational energy that work in sequence with the human body to promote change and return to equilibrium. The physical benefits of each product are completely aligned with its ability to address emotional imbalance, together offering a holistic fine-tuning with tangible, long-lasting results.

Seasonal Spa Experiences

These Aman Venice treatments can be enjoyed throughout the year but are particularly suited to the changing needs of body and mind as the seasons shift. Each seasonal journey includes a mini facial using Le Terme di Salsomaggiore formulas. Hailing from Parma where the mineral-rich thermal waters of Salsomaggiore have been renowned for their healing properties for centuries, these formulas not only provide therapeutic benefits to the skin, but also an exceptional glow.

120 minutes

Spring Renewal: Risveglio Primaveraile

The perfect way to reawaken the skin after a long winter, this exfoliating and moisturising massage with remineralising thermal salts and pure argan oil will leave you feeling relaxed and rejuvenated, with skin as bright and fresh as the season itself.

Summer Relief: Leggerezza Estiva

A detoxifying and stimulating body wrap with a refreshing gel derived from the thermal waters of Salsomaggiore, this treatment is the perfect antidote to heat-induced fatigue, puffiness and discomfort. Skin is left feeling firm and remineralised, while energy levels are restored.

Harvest Glow: Radiosità Autunnale

Begin the new season with a glowing, nourished complexion saying goodbye to tired, dry skin. A full-body exfoliation buffs away dead skin cells with thermal salt and gold powder before a relaxing massage boosts hydration levels, enriching the skin with coconut butter.

Aman Venice Foot Treatment

50 minutes

After a day on your feet exploring Venice, this deeply relaxing treatment offers relief and a feeling of lightness. It begins with a compress to infuse warmth into the feet and legs, combined with a gentle stretch, before an exfoliation using Himalayan crystal salts and a foot massage to cool and calm swollen feet. The feet are then wrapped in a hot compress to seal in the benefits, while the treatment is completed with a choice of head or hand massage.

Express Treatment

30 minutes

For our guests with little time to dedicate to themselves, the spa's 30-minute treatments offer a moment's respite from the hectic pace of daily life. Options range from a focused massage concentrated on key areas of muscle tension to a deep cleansing mini facial with a relaxing face massage.

Couples Massage

90 minutes

A 90-minute bespoke massage for two, complimented by an Aman x 111SKIN Gold Algae Nourishing Mask leaving both body and mind rejuvenated.

Body Treatments

Our body therapies offer a unique range of treatments incorporating the mineral-rich waters, thermal salts and bentonite clays from the spa town of Salsomaggiore Terme in northern Italy. The legacy of a prehistoric sea, these healing substances enhance thermal baths, mud wraps and body treatments.

Tempio della Salute Lissaggio

90 minutes

This comprehensive journey for the entire body combines the exfoliating, lymph-draining and detoxifying properties of Salsomaggiore thermal salts with the moisturising and elasticising properties of fossil water and argan oil. The coarse salt combined with a deep but gentle body massage creates a balance of contrast that leads to total relaxation. Throughout the experience, thoughts become lighter, and the skin emerges transformed. This treatment features in our seasonal Spring Renewal experience.

Tempio della Salute Thermal Mud Wrap

90 minutes

With its lymphatic draining benefits, this exfoliating treatment works to reduce fat deposits, minimise cellulite and boost circulation. Wrapping the body in this powerful mud formula, skin reemerges decongested, toned and luminous - leaving mind and body feeling lighter. This treatment features in our seasonal Winter Bliss experience.

Tempio della Salute Osmosis Wrap

90 minutes

Saturated with thermal salt, the cooling gel used in this nourishing wrap derives from the fossil thermal water of Salsomaggiore Terme. Its richness offers a strong, osmotic action which has positive effects on the skin tissue as well as on the lymphatic system. Providing an exceptional detoxifying and purifying action, the treatment leaves the skin velvety-smooth, soft and firm. This treatment features in our seasonal Summer Relief experience.

Enchanting Body Polish

60 minutes

Using the finest thermal salt, this full body polish guarantees an effective and stimulating exfoliation - skin renewed and protected with a layer of anti-pollution carrot oil. Concluding with a relaxing application of coconut oil and vitamin E cream, skin is left feeling soft-to-the-touch and enveloped in an alluring scent.

Soothe & Lighten Legs

60 minutes

Particularly beneficial for those exploring Venice on foot, this treatment soothes and revitalises, increasing circulation and easing any swelling or discomfort. This treatment is highly recommended, especially during the spring and summer seasons, to evoke a sense of complete lightness.

Facial Treatments

Aman Advanced Facial

60/90 minutes

A wholly rejuvenating experience incorporating Aman's newest skincare collection, Essential Skin, the exclusive Aman Advanced Facial combines effective formulas made in Japan with exfoliation and manual lifting techniques to stimulate facial muscles, welcoming tighter, brighter skin.

The treatment begins with ultrasonic scrubbing to loosen and remove oil, dirt and cellular debris from the pores, supported by microcurrent stimulation and massage to firm, and cryo bulbs to eliminate puffiness. The use of red and blue light therapy follows, a safe and natural way to provide multiple benefits to your skin. The treatment concludes with the application of the Aman Nourishing Gold Algae Face Mask to achieve an exceptional glow.

The facial can be extended to 90 minutes in length, incorporating a longer scalp massage for relaxation, alongside a facial massage and hydra-active Mineral Mask to boost hydration.

Aman Venice Facial

60/90 minutes

This holistic facial with Tempio della Salute thermal products and prehistoric thermal water includes a soothing massage of the shoulders, neck and face while natural ingredients penetrate the skin's surface to deeply cleanse, nourish and hydrate. Blending ancient techniques with unique plant essences, this extended facial restores vitality and radiance to the skin, leaving the complexion fresh and rejuvenated. The 90-minute treatment enhances the experience with a choice of a head or foot massage.

Aman Venice Thermal Anti-Ageing Treatment

60/90 minutes

Using Tempio della Salute thermal products, this comprehensive, customised facial starts with a gentle consultation as face and neck are thoroughly cleansed, nourished and hydrated. Crystals carefully placed instill peace and calm before the treatment is completed with a refreshing alginate mask to soothe and firm the skin and a reflexology session to provide a complete sense of wellbeing.

Oxygen Facial: Urban Oxy System

90 minutes

An innovative and effective anti-ageing treatment, the Urban Oxy System is the result of scientific studies and rigorous testing. What makes this treatment so effective is the use of special apparatus and skincare products that trap oxygen inside the skin. This produces a barrier against harmful smoke, sun damage and stress, causing the skin to glow with a toned and moisturised appearance.
