Conservation and Outreach

As a place of peace designed to help guests discover and enjoy the natural world, Amanpuri partners with two charities that closely align with these aims.

Amanpuri Clean Ocean Conservancy

Amanpuri has partnered with Ecoalf, an upcycling ocean initiative founded by freediver, Javier Goyeneche. Ecoalf's mission is to reduce ocean waste and transform it into top quality yarn, ultimately creating fabric for shoes and clothing. Through the partnership, Amanpuri encourages stewardship within Phuket's fishing community and has also been working towards becoming a 100% plastic-free resort since 2020.

Amanpuri Animal Sanctuary Fund

This fund champions local projects that rescue and rehabilitate indigenous animals, primarily supporting the Phuket Elephant Sanctuary and the Gibbon Rehabilitation Project. We support them through volunteering, raising awareness of their work with guests and fundraising.

Please speak to your guest assistant to find out how you and your family can get involved with these initiatives.
