GIVING BACK

Aman properties around the world are an integral part of the communities in which they are set, providing unique insight into the lives and needs of each community.

Further a Child's Education

Amanjena is proud to support the Atlas Kinder Foundation, a home for 110 orphaned and abandoned children just 30 kilometres outside of Marrakech. Here the children are educated, introduced to the creative arts and given pride in their culture. This festive season, we invite you to join us in making a difference with a donation or through sponsoring a child's education.

Empowered by Design

Meaning 'light' in Arabic, Alnour provides disabled women the opportunity of a self-determined life through the traditional Moroccan art of embroidery. Alnour offers medical support, meals, transport, training, insurance and even childcare to these talented women who create embroidered home accessories from 100% natural fibres. Browse their range and experience Alnour's unique blend of entrepreneurship and social care.

Support Donkey Welfare

Jarjeer Refuge is a retirement home for donkeys and mules located about 25 kilometres from Marrakech. Amanjena guests can meet and interact with these intelligent creatures, feeding the animals and learning more about this oasis of care.
