Festive Itinerary

Season's greetings from Amanpuri,

On the golden sands of Pansea Beach, beneath Phuket's clear blue skies, Amanpuri has long served as a sanctuary and base for discovery. This festive season, we invite you to unwind and create lifelong memories with those you love.

Cherishing time spent together, this year's festive programme combines beloved holiday traditions from Thailand and across the globe with experiences unique to Amanpuri. Memorable days are filled with activities and experiences encouraging harmonious communion with family and friends - from celebratory dining events and outdoor adventures to cultural immersion and world-class entertainment.

For those interested in our events, please reach out to our guest assistant team. We are here to ensure you have a seamless experience and assist with any special requests to make your stay truly unforgettable.

Wishing you a joyful holiday season and a happy, healthy 2025.

Your Amanpuri family

GIVING BACK

Aman properties around the world play an integral role in the communities in which they are set, providing unique insight into the lives and needs of each community.

At this time of year, when reflection and counting our blessings go hand in hand with reaching out to those less fortunate, we are pleased to be able to share our local initiatives.

Shark Release Experience

On the shores of the Andaman Sea, Amanpuri supports Phuket-based foundation, Oceans For All, a marine conservation foundation in Phuket dedicated to protecting Thailand's underwater realm.

Amanpuri guests can participate in Ocean For All's shark nursery programme and release harmless baby bamboo sharks into the ocean. The release of juvenile marine life such as bamboo sharks helps to restore the balance of the marine food chain.

School Charity

As part of our sustainability initiative and dedication to the local community, Amanpuri is proud to support schools and students in developing and maintaining their garden and school facilities. We offer expert advice on plant cultivation and horticulture, as well as guidance on enhancing school facilities and introducing hospitality and service knowledge. Through these efforts, we aim to positively impact the local environment and contribute to a greener future for Phuket.
