During your time with us, we hope you find an escape from the bustle of the outside world, retreating with your loved ones to our gracious pavilions - buildings that once welcomed the guests of Empress Dowager Cixi over a century ago.

In addition to rest and relaxation, we invite you to explore the timeless beauty of our historic surrounds, savour the festive atmosphere, and create unforgettable memories by joining our seasonal celebrations outlined in this brochure. Our team remains on hand throughout your stay to help with any arrangements.
