Chinese New Year

Om Suwastiastu,

In Bali, the celebration of Imlek, or Chinese New Year, is a cherished tradition that reflects the island's deep-rooted Chinese cultural influence. This connection dates back centuries to when his highness Sri Maharaja Aji Jayapangus, the king of Bali, married the beautiful Chinese princess Kang Cei We. Today, the impact of Chinese culture can be seen in Bali's art, music, cuisine, architecture and religious practices.

At Aman Villas Nusa Dua, our Lunar New Year programme honours this rich heritage through a series of exquisite private dining and cultural experiences that showcase Balinese tradition.

We look forward to sharing this meaningful time of year with you.
