## Aman Kyoto Original Tea Selection

### Aman Kyoto Original Jasmine Apple Green Tea

Based on Yamamasa Koyamaen's first Uji sencha "Daikichiyama", jasmine whole flower is blended. The gentle fragrance of sencha and jasmine harmonizes to create a mellow flavor.

### Aman Kyoto Original Black Bean Roasted Tea

A blend based on roasted black soybeans and Yamamasa Koyamaen's finest hojicha "Kyo Hoito". It is gentle taste that combines the scent of high-grade hojicha and roasted black soybeans, which are lightly roasted while retaining the umami.

## Seasonal Tea Selection

### Sakura Blossom

Inspired by fully bloomed cherry blossoms, it is blended with herbs such as rosehip, hibiscus, and green rooibos, creating a beautiful pink color. Enjoy the refined, sweet and tangy aroma of cherry blossoms.

### Happy Tea

Sweet raspberries are perfectly balanced by tangy fresh hibiscus flowers while the indulgent, floral scent of jasmine carries this slightly stimulating guayusa tea blend to a place that could only be described as Happy! This uplifting tea is fruity and light, perfect for any time of day.

# Tea Selection

## Organic Darjeeling

Second flush from Gashikok Farm in Darjeeling, northeastern India.  
Enjoy the aroma and taste that can be compared to champagne.

## Assam Gold

Assam Mangalam Farm, east of Darjeeling.  
A black tea with a deep richness and a malty, heavy feel.  
Recommended for royal milk tea.

## English Breakfast

A blend of rich Assamese CTC and Kenyan black tea  
with a fresh aroma and firm taste.  
A refreshing black tea with a little strong caffeine.

## Earl Grey

Earl Gray is made with the high-grown tea of Ceylon, Dimpura,  
and the Nilgiris of South India, with a generous amount of  
naturally derived bergamot oil.

## Uva

It is one of Ceylon's high-grown teas  
and is considered one of the top three teas in the world.  
It has a deep light blue color and a refreshing menthol-like scent.

## Organic Masala Chai

Organic Assam is blended with spices such as  
cardamom, ginger, and cinnamon.  
We also recommend the royal milk tea, which has the most aromatic blend.

# Low Caffein Tea, Herbal Infusion

## Rooibos

A herbal tea native to South Africa made from fermented green rooibos. It has a tea-like taste with low tannins and no astringency or bitterness.

## Chamomile

Chamomile from Egypt is a representative relaxing herb. Sweet apple-like scent. Recommended for tea time or before bedtime.

## Mint

A versatile herb that is said to have a calming effect that relaxes both body and mind and is also effective for the digestive system. Especially when you feel like refreshing.

## Lemon Meringue

A blend of green rooibos with particularly high antioxidant properties, orange beer, roses, and cornflowers. Recreates the texture and taste of lemon meringue.

## Jasmine Pearl

A fragrance based on organically grown Chinese green tea with gorgeous jasmine flowers. The tea leaves curl up into pearls and bloom with a rich aroma.

# Japanese Tea, Chinese Tea

## *Iribancha* Roasted Tea

A favorite in Kyoto for Generations, *Iribancha* has a refreshing taste. This tea, also known as *Kyobancha*, has been roasted flat at a hot temperature, imparting a distinctive appearance and a smoky aroma.

## Japanese Tea by *Shogyokuen*

*Established in 1827, we are particular about Uji tea, and our Japanese tea is made by one of only 13 tea masters in Japan, the highest rank of 10th dan.*

## Keemun Hao Ya

Keemun is one of the world's three major teas, along with Darjeeling and Uva, and is characterized by its sweet, mellow taste reminiscent of simple tea, and its moderate smoky aroma.

## Orchid Oolong tea

Grown in the hilltops of Nantou, Taiwan, Orchid Oolong tea brews a lilac flavor that is buttery and smooth with a fresh orchid finish. Oolong tea leaves are hand-picked and basket tossed in a process known as oxidization. The oolong tea leaves are then rolled into kernels that wait to unfold with flavor in your teacup.
