

A Peaceful Journey to the High Seas

Alor Expedition

8 Days 7 Nights

Welcome, to the Peaceful Intrepid!

Welcome onboard!

On behalf of the Aman family, I am pleased to welcome you to your Aman Indonesia journey through Amandira.

We have suggested an itinerary for you to make the most of your stay and get a feeling for Indonesia's unique experience and setting, a retreat into the history, culture, and spectacular scenery of Indonesia. Of course, we also hope that you will take time to relax and experience our yacht in your own way.

Amandira is thrilled to welcome guests on board for an eight-day, seven-night venture through Alor, a group of islands in the Lesser Sunda Islands. Alor is the least-visited part of the East Nusa Tenggara province. The unspoiled flora of the islands is paired with world-class diving for an all-around experience of natural beauty. Pristine waters and beautiful coral reefs – which scorpionfish and pygmy seahorses call home – provide world-class diving, with opportunities to see sunfish, reef sharks, hammerheads and even whales. The sunfish, locally known as mola mola, are the world's largest bony fish, and are a stunning sight. With visibility up to 40 meters, the crystal waters provide a fantastic opportunity for novice and experienced divers alike.

Tailor-made Journeys

Kindly note that this itinerary is provided as a sample for inspiration of the region and experiences that are possible aboard an Aman Private Yacht. Prior to embarkation, guests will have the opportunity to discuss specifics with their Cruise Director to ensure that the experience is catered to specific interests and expectations.

If there are any activities you would like to partake beyond what is detailed, or if you have any special requests, please do not hesitate to let our guest assistants know.

We're delighted to have you here and wish you a fantastic trip with us.
