

A Peaceful Journey to the High Seas

Raja Ampat Expedition

12 Day 11 Nights

Welcome, to the Peaceful Intrepid!

Welcome onboard!

On behalf of the Aman family, I am pleased to welcome you to your Aman Indonesia journey through Amandira.

We have suggested an itinerary for you to make the most of your stay and get a feeling for Indonesia's unique experience and setting, a retreat into the history, culture, and spectacular scenery of Indonesia. Of course, we also hope that you will take time to relax and experience our yacht in your own way.

Amandira is thrilled to welcome guests on board for a venture through Raja Ampat. Known as the Four Kings, these 40,000 square kilometres of the Indonesian archipelago in the northeast seas are where the Pacific and Indian Oceans collide.

These nutrient-rich waters nurture magnificent coral reefs and marine life unlike anywhere else. Scuba diving around Raja Ampat is an exceptional experience: spy over 1,300 species of fish and hundreds of hard corals – three-quarters of all known types of coral flourish here, as well as scores of mantis shrimp and rare mammals.

As beautiful above water as it is below, the islands are cloaked in exotic flora and fauna such as karst forests of endangered orchids – look up to see sea eagles and the famed birds of paradise. Explore the hidden jungle caves of Tolomol, kayak through giant sea caverns and discover the treasures of a pearl farm, too.

Tailor-made Journeys

Kindly note that this itinerary is provided as a sample for inspiration of the region and experiences that are possible aboard an Aman Private Yacht. Prior to embarkation, guests will have the opportunity to discuss specifics with their Cruise Director to ensure that the experience is catered to specific interests and expectations.

If there are any activities you would like to partake beyond what is detailed, or if you have any special requests, please do not hesitate to let our guest assistants know.

We're delighted to have you here and wish you a fantastic trip with us.

Day One

Arrival

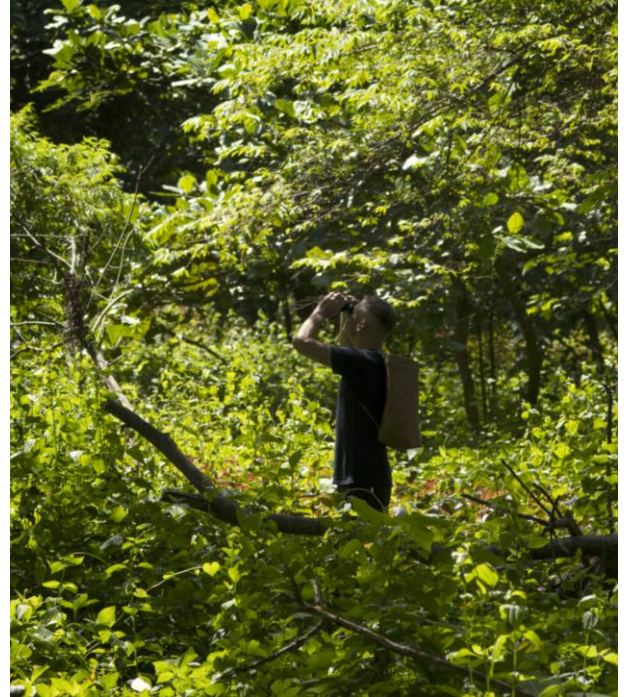

Embark on Amandira

Your journey begins as you embark on Amandira in Sorong, West Papua. Once the crew has welcomed you aboard your new home and you've comfortably settled in, enjoy a sumptuous breakfast as we cruise away from the hustle and bustle of the city.

After a short rest from the overnight flight, arrive and dive at Mioskon gardens for your first dive or snorkel. Later enjoy the thousands of bats departing 'bat island' to nearby Waigeo after sunset and rest early ahead of the next morning's activities.

Day Two

Bird Watching

Birds of Paradise

Depart early morning to see your choice of either the red Bird of Paradise or the Wilson's Bird of paradise – two of the mythical bird species which have captivated the globe for centuries and helped to drive the discovery of Biology's greatest theory – evolution by natural selection.

After re-embarking head to Cape Kri for a dive or snorkel before continuing on to the tiny village island of Arborek. Take a short walk to view this picturesque village, then snorkel at their famous jetty to see many fish and even a possibility of Manta rays.

Encounters with Mantas

Waking once more in Wayag, take the short but slightly challenging hike up to the top of Mount Pindito for the most stunning panoramic of all Raja Ampat, perhaps even catching the sunrise. Bring your sturdy shoes for this climb up the sharp coral rocks-but it's totally worth it for the early morning views.

Enjoy breakfast as we cruise back south moving towards the equator and "Eagle Rock", a famous Manta ray cleaning station. Shortly after lunch we'll lift the sails so you can admire and enjoy Amandira in all its splendor as your cruise southwards through the night towards Penemu and the Fam islands.

Day Five

Paddleboarding

Landscape of Baibulol

Awake with the imposing black limestone landscape of Baibulol. Enjoy the morning diving one of many lively sites before lunch.

When the heat dissipates, hop in the tender to go explore the dreamy maze of lagoons taking advantage paddleboards. After a few cocktails and canapes, have dinner al fresco in the moonlight.
